SUMMER 2010

As the 2009-2010 school year comes to a close, we thank everyone whose time, treasure, and talent have contributed to our mission of providing a quality, Catholic education inspiring students to successfully continue their education and become responsible members of the community. Friends and benefactors, too numerous to mention here, are responsible in very significant ways for the academic, spiritual, and moral development of our students.

We are blessed to have the support of these parishes, parish organizations, and schools.
